

## QUICKBOOKS 2010 SOLUTIONS GUIDE

for Business Owners and Accountants

By Laura Madeira

ISBN-13: 9780789743220

This is a must-have reference for QuickBooks users and accounting professionals that will help you identify common errors and easily fix them—saving time and money.

After you have read *QuickBooks 2010 on Demand*, you will benefit from having a reference that will help you find, fix, and avoid QuickBooks errors. *The QuickBooks 2010 Solutions Guide for Business Owners and Accountants* will be the perfect resource for you.

This advanced reference book provides additional tips and tricks to make accounting for business finances easier and more accurate. It's an excellent resource for the person who is new to using QuickBooks or the person who has used QuickBooks for years but is not familiar with how to locate and correct data entry or setup errors. Accountants will value the information and how it can assist them to be more accurate and efficient with the review of their client's data file monthly, quarterly, or annually at tax time.

Madeira has personally helped hundreds of companies succeed with QuickBooks. Now, in *QuickBooks Essentials: Video LiveLessons*, she walks viewers through setting up QuickBooks data files; properly setting up the chart of accounts; paying sales tax; setting up payroll and inventory; working with vendors and accounts payable; paying bills via credit card; managing customers and bank accounts; reporting; customizing forms; even sharing data with your accountant. Every lesson on this DVD contains bonus tips available in

no other QuickBooks learning guide. As a viewer you can build your skills one step at a time, using hands-on examples reflecting real-world challenges. You can learn at your own pace—and get specific answers and solutions immediately, whenever you need them. Like all products in the LiveLessons series, *QuickBooks Essentials: Video LiveLessons* responds to the growing marketplace demand for just-in-time training delivered visually, by leading industry experts.

## QuickBooks 2010 on Demand

By Gail Perry CPA

Laura Madeira

ISBN-13: 9780789739285

QuickBooks Financial Software has become the preferred accounting software for the small business market. *QuickBooks 2010 On Demand* is a task-based reference book, designed to appeal to the QuickBooks user who wants the answer to questions in a hurry. The book is highly visual, with screen shots and callouts describing each step of particular tasks. Accompanying the task steps are cross-references to related sections of the book, tips and short cuts, introductory text, and sidebars that ex-

pand on more technical areas of the program. From the starting moments of taking the QuickBooks program out of the box for the first time, through setup of a company, to beginning and ongoing tasks, monthly and less frequent periodic tasks, special. This book provides instruction that is quick to find and easy to understand. Whether you are experienced with QuickBooks and just need a quick answer to a technical question, or a novice who doesn't know where to begin, this book provides a unique and detailed resource that can be kept by your side for easy reference.
